

Shifa Surgery - Volunteers Wanted Patient Participation Group (PPG)

Shifa Surgery are keen to establish a Patient Participation Group (PPG) and we need volunteers to help us.

Our aim is to make sure that you, as patients, get the most from the Surgery. PPG meetings will be held every three months; they will be open and informal and may be attended by a GP, The Practice Manager, The Practice Nurse and Patients.

The Practice has a wide range of services available, there is a lot to be proud of, but there is still much to do. We want to help you to understand the services that you can access and we want your input into how we might improve the Surgery.

If you wish to find out more about joining PPG please speak to Lorna Metcalfe (Practice Manager) who will be happy to give you more information. **If you would like to join the PPG then please complete this application form and hand it in at reception.**

I would like to become a member of the Patients' Forum
