IMPACT AWARD 2024

WINNERS!

Congratulations

to DaRe2THINK!

awarded for

**OUTSTANDING IMPACT ON
PUBLIC SERVICES AND
PRACTICES**

*Thank
you!*

Presented by

UNIVERSITY OF
BIRMINGHAM

This award is a huge honour, and we are very appreciative of all our primary care & CRN teams for all their contributions and continued efforts!

The selection panel were particularly struck by the maturity level of engagement and the strong evidencing of impact shown within this trial. On behalf of the team we had our Chief Investigators, Prof. Dipak Kotecha & Dr David Shukla, both present at the awards ceremony hosted at The Exchange in Birmingham. They were also joined by Alastair Mobley (our trial team manager) & Emme Hunt (CPRD primary care engagement lead), for an amazing ceremony celebrating the various impacts honoured around the University.

Thank you to all of you for your support!

Trial Task List

Login to the CPRD portal to screen your pre-selected patients & invite them to the trial

Enrol patients within 72 hours of consent completion, and prescribe DOACs to those randomised to intervention arm
