

## Have you been prescribed regular, preventer treatment for mild Asthma?

You may be suitable to take  
part in a clinical study  
of a new relief inhaler.

Please ask your GP for further  
information.

We are offering a £15  
inconvenience  
voucher for those who  
complete an initial  
assessment.

If you are already  
enrolled and have  
not received a  
voucher, please  
contact
